FRIENDS OF THE COMMUNITY FUND

JOIN YOUR COMMUNITY FOUNDATION...in our mission to improve the quality of life in our region by increasing giving, connecting donors with what they care about, and providing leadership on needs and opportunities in our communities.

JOIN YOUR COMMUNITY FOUNDATION...by giving to our Friends of the Community Fund today. With resources entrusted to us by individuals, families, corporations, other foundations, and community partners, the Foundation provides hope to children by strengthening our education system, a safe haven for families suffering from domestic abuse, and resources to help families and children fighting and living with cancer. Additionally, the Foundation provides the infrastructure necessary to support community projects such as the Palmetto Island State Park, the BP Louisiana Tourism Recovery Program, and local geographic affiliates. The Friends of the Community Fund supports our infrastructure and creates the capacity to make all of this possible. Become a part of our mission. Join now. Here's how:
